SPECIAL NOTICE—Please Read

Do not confuse the **STAR COIN ENCYCLOPEDIA** with the cheap so-called "Coin Books," "Coin Guides," etc., which are simply gotten up to sell, are poorly printed, with few if any poor illustrations and vague information

PLEASE REMEMBER that the prices offered in the *Star Coin Encyclopedia* are those which WE GUARANTEE TO PAY for the thousands of coins and bills. And by comparison you will find that we offer *Higher Prices* than any other market for the simple reason that we are *Coin Buyers*. We issue the Coin Encyclopedia to better enable us to secure old coins for our large business. We buy and sell over \$200,000.00 worth of coins a year. Investigate our standing in Dun or Bradstreet's, or ask any bank about us.
